Professional Experience

Landscape Architect Intern

Jun 2016

Farmer | Morgan LLC.

Starkville, MS

Design and Planning Charrette for Highway 182 Corridor Redevelopment Plan in Starkville, MS. I assisted in the preparation and calculation of stormwater management. I conducted the site design corridor intersection and visual renderings, which directly contributed to the final presentation to public realm and city officials.

Landscape Architect Intern

Dec 2015

Chambers County Extension

- Feb 2016

LaFayette, AL

Conceptual design and construction details of Chambers County festival recreation facility. I continuously engaged with county officials and stakeholders during the design process and participated in the public presentation of the final proposal, which will be built in 2016 as part of a county-wide health initiative.

Landscape Architect

2014

MCM Group International

Beijing, China

Concentrated on tourism planning and conceptual landscape design. The project I participated in was planning and conceptual landscape design phase of ZRTG China Maritime Studio, Zhejiang, China.

Landscape Architect

2013 - 2014

XD Architects

Beijing, China

Worked with international designers, mainly focusing on the integration of landscape and architectural design. The projects that I was involved in include design competitive bidding of Sino-Japanese War Memorial Museum (Dandong, Liaoning Province, China) and Huairou community planning and landscape design (Beijing, China).
